Professor Abdul Hannan Chowdhury is a distinguished academic leader and public intellectual, currently serving as Vice-Chancellor of North South University (NSU) and Chairman of the Board of Directors of Grameen Bank, a Nobel Peace Prize-winning institution. With over 38 years of experience in higher education, research, and institutional governance across Bangladesh, Canada, the United States, and China, he is widely recognized for his leadership in academic governance, internationalization, and quality assurance.

He previously served as Vice-Chancellor of Primeasia University and Pro-Vice-Chancellor of Eastern University, and held multiple senior leadership roles at NSU, including Dean of the School of Business and Economics, Director of the BBA Program, and Executive Director of External Relations. An internationally engaged academic, he has participated in more than 80 conferences across 45+ countries, represented Bangladesh's higher education sector at over 100 universities in 25+ countries, and held faculty appointments at institutions in Canada, the United States, and China.

He holds a PhD in Industrial Engineering and an MS in Operations Research from Northeastern University, USA, along with an MSc and a BSc (Hons) in Statistics from Jahangirnagar University. He is also internationally recognized for his significant involvement in advancing Social Business globally, working closely with Nobel Laureate Professor Muhammad Yunus and contributing to global summits, academic dialogues, and institution-building initiatives in socially responsible and inclusive development.

EDUCATION:

Post Doctoral Research in Industrial Statistics September 2002

University of Calgary, Alberta, Canada

Concentration: Product and Service Quality Improvement

Research: Modeling censored data for quality improvement from replicated design of experiments

Doctor of Philosophy (Ph.D.) in Industrial Engineering September 1999

Northeastern University, Boston, USA

Area: Production Management and Quality Improvement

Thesis: Analysis of censored life test data and robust design method for reliability improvement from highly fractionated experiments

Master of Science (M.S.) in Operations Research June 1996

Northeastern University, Boston, USA

Area: Optimization and Quality Improvement

Master of Science (M.Sc.) in Statistics December 1987

Jahangirnagar University, Bangladesh

Department of Statistics, First Class, 4th Position

Bachelor of Science (B.Sc.) (Honors) in Statistics July 1986

Jahangirnagar University, Bangladesh

Department of Statistics, First Class, 6th Position, (Minor: Mathematics, Economics)

EMPLOYMENT:

- Conducted admission tests three semesters, prepared and moderated test questions, scheduled duties and responsibilities for the faculty, staffs for the admission test, prepared final results.

ACADEMIC EXPERIENCE:

Professor, School of Business and Economics, North South University April '08 - May '14, Oct-'20---

- Taught Business Statistics, Operations Management, Total Quality Management (TQM), and quantitative tools in business classes in the MBA and EMBA programs
- Supervised numerous undergraduate and graduate students' internship projects.

- Conducted research on product/ process quality and reliability Improvement, Applied Statistics, Service Quality, Forecasting, Operations Management, TQM, and Social Business.

Associate Professor, School of Business, North South University May 2005 - March 2008

- Taught business statistics, operations management, total quality management, and quantitative tools in business classes in the BBA, MBA, and EMBA programs and supervised intern students.

Assistant Professor, University of Windsor, Canada Sept 2002 - April 2005
Odette School of Business

- Taught business data analysis, statistical quality control and design, production management, decision modeling, and operations management undergraduate courses.
- Taught management science and production management courses to the MBA students.

Department of Mathematics and Statistics

- Taught statistics for the sciences course to the undergraduate classes.

Centre for Executive Education, University of Windsor, Canada Winter 2003

- Taught quantitative analysis course to the Executive MBA for managers and professionals.

American Society for Quality, St. Clair College, Windsor, Canada Winter 2005

- Taught an advanced statistical methods class in the Quality Certification Program (QCP) program

Post-Doctoral Research Fellow, University of Calgary, Canada Sept 2001 - Sept 2002

- Research conducted on industrial experiments with censored data in the Math & Statistics Dept.
- Grant received from the Natural Sciences and Engineering Research Council (NSERC), Canada.
- Additional fund was given by the Pacific Institute for the Mathematical Sciences (PIMS), BC.
- Additional fund was given by the Nortel Networks of Canada, and StatCAR Lab of the UofC.

Lecturer of Quantitative Methods, Northeastern University, Boston, USA Sept 1999 - Sept 2001

- Taught Statistics, Operations Management, and Service Operations Management courses to undergraduate students at the College of Business Administration.

Lecturer, (Part-time), Summer 2000, Dept. of MIME, Northeastern University Sept 1993- Sept 1999

- Taught undergraduate Statistics, and Probability Analysis for Engineers courses

Teaching/ Research Assistant, Northeastern University, Boston, USA

- Taught Probability Analysis, Statistics, Probability & Statistics, Engineering Statistics courses.
- Assisted students of Design of Experiments, Quality Control, Applied Statistics, Probability, Engineering Economics, and Reliability Analysis courses.
- Demonstrated Turbo SPC/SQC, & Statistical Softwares and taught Quality Assurance Lab class

Assistant Professor, Dept. of Management, Islamic University, Bangladesh Oct '88- Nov '92
(Promoted as an Assistant Professor, while on study leave on November 1992)

Lecturer of Statistics

- Taught undergraduate Introductory Statistics, Business Statistics, Mathematical Statistics, Probability, Economics & Graduate Managerial Mathematics courses.
- Supervised graduate and undergraduate projects and thesis work

Lecturer, (part-time), Department of Economics, Islamic University Sept '89 - Feb '90

- Taught undergraduate Mathematical and Economic Statistics courses.

Lecturer, (part-time, Nov. '90 - May '92), Dept. of Statistics, Tejgaon College

- Taught statistics courses while fulltime at the Islamic University

Lecturer, (part-time, Oct '88 - Sept '89), Dhaka City College, Dhaka

- Taught undergraduate statistics courses while fulltime at the Islamic University

Lecturer, (July '88 - Oct '88), Dhaka City College, Dhaka

- Taught Statistics & Inferential Statistics courses while working as fulltime for three months.

Research Assistant, SOPIRET/ Development Researchers and Associates (DRA) Jan '88 - July '88

- Conducted a project titled “Increasing contraceptive prevalence rate” under SOPIRET.
- Conducted a project titled “Intervention and its impact on health and family planning- A base-line survey,” under DRA and the role was to analyze data and report writing.

HONORS & AWARDS:

- Honorary Professorship today by Nanjing Audit University (NAU), China May 08, 2025
The first South Asian scholar to receive this prestigious distinction from the institution.

VISITING FACULTY:

Visiting Professor, Yunnan Normal University, Kunming, China Fall '14 - Fall '16

- Taught a graduate “Operations Management” class in Fall '14
- Taught an undergraduate “Macro-Economic & Sino-Bangla Trade Scenario” class in Summer '15
- Taught an undergraduate class on “Total Quality Management (TQM)” in Fall '15
- Taught undergraduate classes on “Statistics” and “Social Business” courses in Fall '16
